SUPPORT YOUR TRAINEES: LEAN ON API

API is led by volunteers who are practicing pathologist informaticists at top medical institutions and laboratories across the country. Their collective dedication to the subspecialty provides direct access to expert mentoring and training unmatched by other organizations.

Welcome to the Members Only Area!

Here, you will be able to access a number of API's offerings, including online submission forms, registration for new meetings and events, as well as the membership directory. API is a welcoming community for all individuals curious, interested, and/or invested in pathology informatics and its role in improving patient care. Please explore what API has to offer, here, and feel free to reach out to [Nova Smith](#) or [Grace Chae](#), if you have any
